

Finance Section
Hqtrs, 3rd Air Force
Tampa, Florida.

The Chairman of
The Bryant Service Club.

Dear Sir:

I thank you for your most useful
gift of two Camel 50's. Your kindness
and thoughtfulness is greatly
appreciated.

I recently celebrated my second
anniversary as a soldier, having
been inducted in Providence on
March 18, 1941. I have seen a lot
of the army since then.

Until recently I was located
at Dale Mabry Field, Tallahassee, Florida,
in the Finance Department, where I
served in various capacities,
culminating in my appointment as
Assistant Finance Officer, upon my
promotion to Warrant Officer on
December 1, 1942.

However, my Uncle Sam had other

plans in the making for this soldier.

On February 1, 1943, I was transferred to the Finance Section, at Headquarters here in Tampa, Florida.

I remember well, my saying on several occasions that I would like to spend a winter in Florida. Little did I think my Uncle Sam, would be the "fixer-upper" in that regard.

In your recent letter you mentioned Henry J. Lee, as being a "Major". I would appreciate your sending me his military address if you can.

Thanks again for the cigarettes and so long for now.

Sincerely
George J. Ross
